

## Experienced NICU RN Opportunities

Christiana Care Health System, a Magnet® recognized and Beacon Award winning organization, is currently seeking experienced Nurses to work in the NICU. Christiana Hospital is the only delivering hospital with a Perinatal High Risk Center in Delaware with a Level III neonatal intensive care unit (NICU). Caring for 1,200 newborns per year, the NICU includes 70 beds and NICVIEW cameras. We have offered advanced neonatal care for 25 years, including neonatal air and ground transport services.

The obstetrical Emergency Department Triage Unit receives 19,000 visits annually. It houses 16 labor/delivery/recovery rooms, six high-risk obstetrical and 19 antenatal step down rooms, seven surgical obstetrical recovery rooms, four obstetrical operating rooms and 14 triage beds. The system also includes a 19-bed Pediatric Unit staffed by 24/7 Pediatric Hospitalists.

Recently, *Becker's Hospital Review* named Christiana Care among the Best 100 Hospitals nationwide providing great women's health programs, and since 2009 the U.S. Department of Health and Human Services has named Christiana Care as the only Community Center of Excellence in Women's Health in the region.

We offer rewarding hospital environments where experienced nurses deliver innovative care and clinical excellence. Your professional growth is supported by our clinical ladder, professional certifications and pre-pay tuition and as a regional center of excellence in health care Christiana Care offers remarkable resources and competitive benefits to support nurses and their careers. In 2015, *Truven Health Analytics* honored us as a Top 100 Hospital and Everest Award winner—just one of 17 nationwide.

Join our collaborative and interdisciplinary team focused on patient- and family-centered care and be valued and respected for your expertise as we drive the future of health care the Christiana Care way. The career you've truly earned is as close as Christiana Care.

### REQUIREMENTS:

- BSN required; or commitment to obtaining within three years of date of hire.
- At least two years of critical care, ED or surgical experience required in an acute care setting.
- Previous experience working in a NICU preferred.
